COPY 1 OF 1

December 21, 1956

Dear George:

Approval is requested for the following purchase order to be issued on a fixed-price basis for System Four of Contract A-101:

This purchase order has been placed on the basis of the lowest price as a result of competitive bidding.

<u>Vendor</u>	<u>Requisition No.</u>	<u>Purchase Order No.</u>	<u>Amount</u>
Traid Corporation	76441 00294	25-32293	\$25,966.00

The standard Model III Flight Research 16 mm synchronous camera manufactured by Flight Research Company is a stock item distributed in this area by Traid Corporation. This camera, together with standard Fairchild and Bell and Howell accessories, was purchased at same price paid by government agencies. Engineering modification requirements to adapt the camera to our specifications were placed with Traid Corporation, since its experience in this field as a representative of Bell and Howell is extensive. Items 5, 6, and 7 fall in this category and the price charged is considered fair and reasonable.

Sincerely,

Bob

Bob

25X1
